

SIGMA

BEST ENTRY LEVEL LENS:

Sigma 18-250mm F3.5-6.3 DC OS HSM

The Sigma 18-250mm F3.5-6.3 DC OS HSM 13.8x zoom incorporates Sigma's exclusive Optical Stabilization system. Four special low dispersion (SLD) glass elements and three aspherical elements ensure very high image quality. A minimum focus distance of 45 cm at all focal lengths proved a very appreciated solution.
