

GEAR GUIDE

Gentec International is encouraging students to get in gear with all the essentials to ensure they have a great year. Whether they are heading off to school or are just graduating and heading out on their first job, Gentec International offers Canadians the top tech gadgets to start the year off right.

iSHIELDZ GentecWireless.com/ishieldz/

iShieldz High Definition Smartphone Screen Protector

iShieldz High Definition, screen protector (HD), offers superb clarity and colour contrast, when installed on your smartphone. Utilizing a one-of-a-kind multi-layer technology, using premium materials. The HD screen protector is easy to install and is backed by a lifetime guarantee. Available for most smartphones. Model # 01743 / 01740

iShieldz Anti-Blue Light Screen Protector

Blue Light is artificial light created by short-wavelengths, emitted by devices such as televisions, computers and cell phones. This artificial light can be harmful to the eyes and overall health. The iShieldz Anti-Blue Light technology protects your eyes and help regulate sleep and wake cycles, while maintaining HD screen clarity. Made of triplex tempered glass, and shatterproof technology that ensures safety while dissipating force upon impact. Optimal 0.33mm thickness provides maximum 100% touch sensitivity and the special coatings resist not only fingerprints but water droplets. Available for iPhone 6 & 6 Plus. Model # IS4IP6 / IS4IP6P

iQ Magnetic Universal Windshield Car Mount

With its sleek low profile design and easy magnetic access, the iQ magnetic windshield mount holds your device securely in place without the frustrating cradle. One size fits all. Model # IQMNT2

iQ Magnetic Universal Vent Mount

With its sleek low profile design and easy magnetic access, the iQ magnetic vent mount holds your device securely in place without the frustrating cradle. One size fits all. Model # IQMNT1

ALPINE alpine-canada.com

Klipsch BestSound.ca

Klipsch Pro Media 2.1 iPod/Computer Speakers

Turn your desktop into a high-performance entertainment center. The award-winning, THX-certified ProMedia 2.1 computer speakers are the perfect match for any desktop. But more importantly, this compact, three-piece setup delivers high-quality sound that puts some home theater systems to shame. Maximize your digital music with this high performance desktop entertainment center. Delivers amazingly crisp and clear response, with deep, authoritative lows from the subwoofer. Model # PROMEDIA21

Klipsch GiG Portable Music System

The Klipsch GiG is an ultra-portable 2.1 wireless music system small enough to fit into a briefcase, a backpack, or even the palm of your hand. Offering full-range sound that is truly astounding, GiG is the state-of-the-art choice in its class. Dual 1" full-range drivers are complimented with balanced, dual 2" passive radiators for rich, musical bass. Advanced DSP equalization provides lifelike, dynamic sound at any volume level. Model # GIGB

Klipsch KMC1 Portable Music System

The Klipsch KMC1 Music System is the ultimate portable speaker. Its small size lets you take it just about anywhere. The Bluetooth® wireless technology enabled system, offers touch-sensitive controls as well as aptX® technology for decoding lossless, audiophile quality sound when paired to aptX®-enabled smart devices. The KMC1 system delivers remarkably authentic and dynamic sound with full, rich bass at any volume level. The system also keeps smartphones and tablets charged via a USB port and also plays virtually any non-Bluetooth enabled music source through its 3.5mm input. In addition, it remembers up to eight previously connected Bluetooth enabled devices for quick and painless reconnection. Model # KMC1B
